**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I run a small business doing electronics repairs in my home for a niche market. My ISP provides broadband plus phone service at rates that have helped me survive.

I have been a consumer of ADSL via independent ISP's from the moment it became available, both for myself and as a recommendation for others.

There are many things that a smaller ISP can provide that larger ones can or will not.

Preserve competitive ADSL service. It is the American thing to do.
